BUSINESS BEFORE THE BOARD

Old Business

Wayland Park

Mrs. Tackett stated in order to put a bridge up we would need State permits, which might not be feasible for Eagle Scout project. We should continue planning a main trail around the park, this would be useful for the Swamp Creek Stomp and for park users.

Swamp Creek Stomp – Cancellation

Swamp Stomp is cancelled for 2023

Dog Park Project Status Update

Small dog area is installed and open, users seem to enjoy it. Tracy will calculate how much funding is left from the grant, possibly use for a shade structure. Watershed Conservancy planted trees last year, it seems that the deer may be eating the trees. We will monitor to see how they grow.

Eagle Scout Project

Mr. Frederick believes the Eagle Scouts would like to do trail markers for a 5K and 5 mile trail/path, they will place them every half mile. They would also be interested in building bird boxes. There will another scout moving up soon, he would be interested in building a new fence for the tot lot. Tracy mentioned that could be a possibility if we receive the playground grant and expand the lot size. It was suggested that the scouts attend the Supervisors workshop meeting in March as it is less contentious.

New Business

Disc Golf-

Tracy has emailed the company that was to make a presentation, she is not getting a response. Tracy will speak with Sean Frisco, who has Disc Golf experience, to see if he has any suggestions.
